

Catoosa County Schools
2018-2019
Academic Achievement Report

Catoosa County Public Schools participate in all state-required assessments. The Georgia Milestones Assessment System (GMAS) replaced the CRCT and EOCT beginning with the 2014-2015 school year.

- **Students in grades 3 through 8 take an End-of-Grade (EOG) assessment in ELA and Mathematics.**
- **Beginning in the 2016-2017 school year, only students in grades 5 and 8 also take an EOG in Science and Social Studies.**
- **Students enrolled in high school courses take an End-of-Course Assessment in 8 courses. These include:**
 - **Ninth Grade Literature and American Literature**
 - **Algebra 1 and Geometry**
 - **Biology and Physical Science**
 - **U.S. History and Economics**

Features of the Georgia Milestones Assessment System include:

- **Criterion-referenced items to assess how well students have learned the knowledge and skills outlined in the state-adopted content standards in English Language Arts, Mathematics, Science, and Social Studies.**
- **Open-ended (constructed-response) items in English Language Arts and Mathematics (all assessed grades and courses).**
- **A writing component (in response to passages read by students) at every assessed grade level and course within the English Language Arts assessment.**
- **Norm-referenced items which complement the criterion-referenced information and provide a national comparison.**

| 7th | 72 | 70 | 76 |
| 8th | 74 | 75 | 79 |

CCRPI

College & Career Ready Performance Index

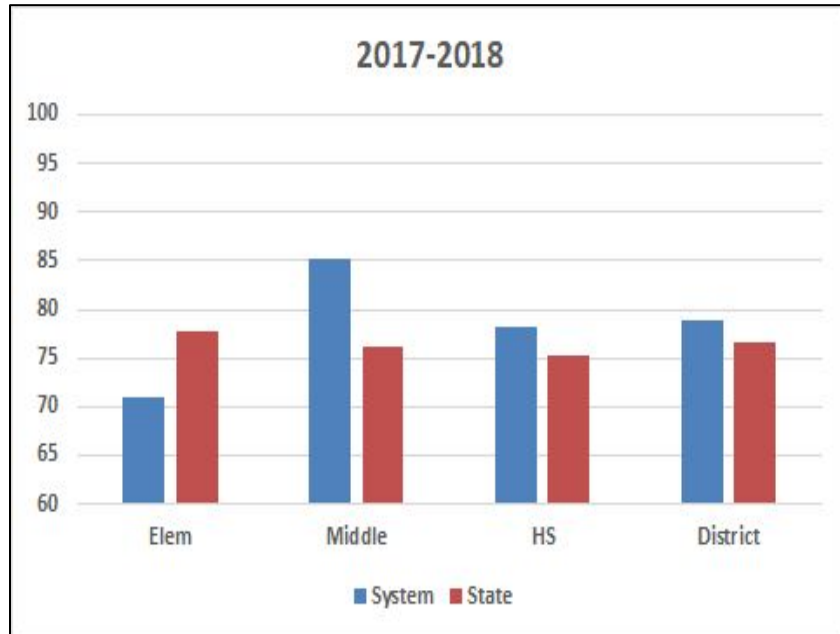

What is the CCRPI?

The College and Career Ready Performance Index – CCRPI – is Georgia’s annual tool for measuring how well its schools, districts, and the state itself are preparing students for the next educational level. The CCRPI includes five main components each scored on a scale of 0 to 100: Achievement, Progress, Closing Gaps, Readiness, and Graduation Rate (high school only). These components, encompassing multiple indicators, are combined for a total CCRPI score on a scale of 0 to 100.

CCRPI Score Comparisons

Climate Ratings

What is the School Climate Star Rating?

Georgia's School Climate Star Rating is a diagnostic tool to determine if a school is on the right path to school improvement. Schools receive a 1-5-star rating, with five stars representing an excellent school climate and one star representing a school climate most in need of improvement. The rating is based on four components: 1) student, teacher, and parent perceptions of a school's climate; 2) student discipline; 3) a safe and substance-free learning environment; and 4) student attendance.

Number of Schools

| Stars | 2017-2018 | 2018-2019 |
|--|-----------|-----------|
|  | 0 | 0 |
|  | 5 | 0 |
|  | 11 | 16 |

Model PLC School

What is a Model PLC School?

A model professional learning community (PLC) school must:

- **Demonstrate a commitment to PLC concepts.**
- **Implement those concepts for at least three years.**
- **Present clear evidence of improved student learning.**
- **Explain the culture, practices, and structures of the school or district, and submit it for consideration to the PLC Review Committee.**

As of January 1, 2020 Georgia had five schools recognized as Model PLC Schools. Two of those schools were members of the Catoosa County Public Schools district.
