

To Enable 2-Step Authentication for your Google Account

For Smart Phone Users

Don't get locked out

Your domain will soon enforce 2-Step Verification to ensure better account security.

This policy will be enforced from Jul 15, 2022 which means that you will be asked to enter a one time password when signing in.

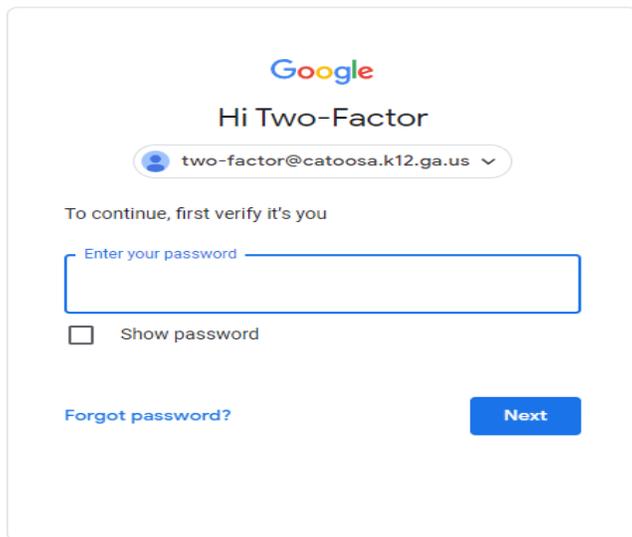

To avoid being locked out of your account please enroll into 2-Step Verification now.

[Learn more about 2-Step Verification.](#)

ENROLL

[Do this later](#)

You will receive an email about the 2-step verification enrollment. The 2-step verification will need to be completed by October 10th. On the first screen click the blue Enroll button. After clicking Enroll, you will then be redirected to log back into your Google email account.

Google

Hi Two-Factor

English (United States) ▼ Help Privacy Terms

You will be asked to enter in your phone number to set up the 2-step verification. You can choose to receive a text message or a phone call to get your verification code. Using the text option will mean you won't need to write down any codes and the code will be readily available as a text message.

← 2-Step Verification

Let's set up your phone

What phone number do you want to use?

Google will only use this number for account security.
Don't use a Google Voice number.
Message and data rates may apply.

How do you want to get codes?

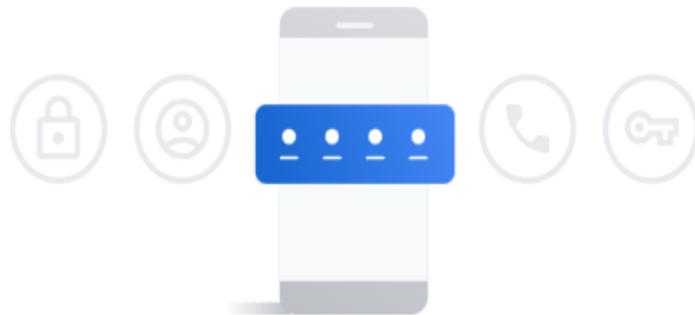

Text message Phone call

[Show more options](#)

Step 1 of 3 [NEXT](#)

Enter the code that was texted to your phone.

← 2-Step Verification

Confirm that it works

Google just sent a text message with a verification code to **(423) 619-6464**.

Enter the code

570355|

Didn't get it? [Resend](#)

[BACK](#)

Step 2 of 3

[NEXT](#)

You will get a confirmation message that your code was successful and will be asked if you want to turn on 2-Step Verification. At this point, simply click **Turn On** in blue letters.

← 2-Step Verification

It worked! Turn on 2-Step Verification?

Now that you've seen how it works, do you want to turn on 2-Step Verification for your Google Account two-factor@catoosa.k12.ga.us?

Step 3 of 3

TURN ON

You will then see a message that the 2-step verification is complete and you should see your phone number listed as a trusted device.

← 2-Step Verification

2-Step Verification is ON since Jul 27, 2022

Available second steps

A second step after entering your password verifies it's you signing in. [Learn more](#)

Note: If you sign in to your Google Account on any eligible phone, Google prompts will be added as another method for 2-Step Verification.

Voice or text message (Default) ?

(423) 619-6464 Verified

Verification codes are sent by text message.

You will also get an email confirmation email that 2-step verification is turned on.

2-Step Verification turned on

 two-factor@catoosa.k12.ga.us

Your Google Account two-factor@catoosa.k12.ga.us is now protected with 2-Step Verification. When you sign in on a new or untrusted device, you'll need your second factor to verify your identity.

Don't get locked out!

You can add a backup phone or get backup codes to use when you don't have your second factor with you.

You can [review your 2SV settings](#) to make changes.

You can also see security activity at
<https://myaccount.google.com/notifications>

Whenever you log into a new device you will be prompted to enter in a verification code using your trusted device.

2-Step Verification

To help keep your account safe, Google wants to make sure it's really you trying to sign in
